Here's a chance to own an extremely rare CD in the history of Soundtracks!!! It's the music from the legendary "horror" movie "Once Bitten", starring Jim Carrey & Lauren Hutton. Actually it was one of Jim Carrey's first movies – if not THE first....The music is what I would call "High quality pop - totally 80's" - it will bring you right back to the No. 1 decade of true POP music!!! The digitally remastered sound quality is AWESOME. CD and inserts in MINT condition.

Track list :

"Once Bitten" by 3 Speed,**"The Picture" by Hubert Kah,****"Face to face" by Real Life,****"People living in shadows" by Private Domain,****"Blue night shadow" by Two of us,****"Alive or dead" by Gifthorse,****"Hands off" by Maria Vidal,****"Stop talking about us" by 3 Speed,****"You're on my mind" by Kevin McKnelly,**

"Makes me crazy" by Moses Tyson, Jr.,
"just one kiss" by Maria Vidal,
"Once Bitten - main theme" by John du prez.
